3i Group plc

3i is an investment company with two complementary businesses, Private Equity and Infrastructure, specialising in core investment markets in northern Europe and North America.

As proprietary capital investors we have a long-term approach. We create value through thoughtful origination, disciplined investment and active stewardship of our assets, driving sustainable growth in our investee companies.

Our strategic objectives

We focus on opportunities where our sector and market expertise, combined with our strong capital position, can create material value for shareholders.

- Grow investment portfolio earnings
- Realise investments with good cash-to-cash returns
- Maintain an operating cash profit
- Use our strong balance sheet
- Increase shareholder distributions

Our international network

We have operations in eight offices across Europe, Asia and North America.
