Directors' remuneration policy

This is an extract from the 2023 Annual report and sets out the Directors' remuneration policy ("the Policy") approved at the 2023 Annual General Meeting held on 29 June 2023 and is effective from that date for all payments made to directors.

The Policy is reproduced here for ease of reference only.

Policy report

Remuneration policy table

The table below summarises the policy in respect of each element of the Company's remuneration for Executive and non-executive Directors effective from the date of the 2023 Annual General Meeting. This policy will be put forward for shareholder approval at the 2023 Annual General Meeting in accordance with section 439A of the Companies Act 2006.

Changes to the policy operated in FY2023: No material changes

In developing the revised remuneration policy the Committee followed a robust process which included discussions on the content of the policy at three Remuneration Committee meetings. The Committee considered input from management and from its independent remuneration advisers and assessed the Policy against the provisions of the UK Corporate Governance Code. We have made no material changes to the policy. Minor changes have been made to provide the Committee with flexibility to implement the policy as intended over its term and align with best practice. Minor changes have also been made to the policy to reflect Jasi Halai joining the Board.

At least 50% of any bonus award will be deferred into shares vesting in equal instalments over four years. Deferred bonus awards may be granted in the form of conditional share awards, options or forfeitable shares. Awards may also be settled in cash in exceptional circumstances. Participants receive the value of dividends in cash or shares on the shares which are subject to the award. Awards are subject to the malus/ clawback policy. 	<ul style="list-style-type: none"> Maximum bonus of 400% of salary for the Chief Executive. The targets can be a range of financial, business line specific, personal, risk and other key Group targets. The Committee uses the scorecard as a prompt and guide to judgement and considers the performance outcomes in the wider context of personal performance (including values and behaviours), risk, market and other factors. The Committee has discretion to adjust the annual bonus outcomes, both upwards and downwards (where significant adjustment is required), to ensure the outcome is a fair reflection of the overall performance of the Company and the individual. Details of the annual performance targets/expectations (and performance against them) are shown within the Annual report on remuneration.

Long-term Incentive Plan			
<ul style="list-style-type: none"> Alignment of reward with long-term, sustainable Company performance and the creation of shareholder value over the longer term. The selection of absolute and relative return targets for shareholder returns ensures participants' and shareholders' interests remain aligned irrespective of market conditions. 	<ul style="list-style-type: none"> All performance targets, along with relative weightings, are reviewed and set by the Committee prior to awards being made. The Committee may make an award in the form of forfeitable shares, conditional share awards, stock appreciation rights, or options under the plan. Awards may be settled in cash in exceptional circumstances. Awards vest subject to the Group's achievements against the performance targets over a fixed three-year period. To the extent that shares vest, awards are subject to a holding period whereby they are released on or around (but not earlier than) the fifth anniversary of grant. The Committee may determine that participants may receive the value of dividends in cash or shares which would have been paid on the shares that vest under awards. Awards are subject to the malus/ clawback policy (as set out on the next page). 	<ul style="list-style-type: none"> Awards granted in respect of a financial year will have a face value of up to 400% of salary for the Chief Executive. Awards granted in respect of a financial year will have a face value of up to 250% of salary for the Group Finance Director. Awards granted in respect of a financial year will have a face value of up to 225% of salary for the Chief Operating Officer. Normally, no payment will be made for below threshold performance. Between 20% and 25% of the award vests at threshold performance, depending upon the performance condition. 	<ul style="list-style-type: none"> The scorecard will contain at least two measures of shareholder return, including at least one absolute and one market/peer group relative measure together with any other metrics the Committee feel are applicable at the time of grant. The achievement against these targets is measured over a three-year period and is determined by the Committee. The Committee has discretion to adjust the formulaic LTIP outcomes, both upwards and downwards (where significant adjustment is required), to ensure the outcome is a fair reflection of the performance of the Company and the individual. The Committee can reduce any award which would otherwise vest if gross debt or gearing limits are breached. Details of the current performance conditions are shown within the Annual report on remuneration.
Shareholding requirements			
<ul style="list-style-type: none"> To create alignment with shareholders by encouraging longer-term focus. 	<ul style="list-style-type: none"> Executive Directors are required to build up over a reasonable period of time, and thereafter maintain, a shareholding in the Company's shares. Vested shares (net of income tax and National Insurance contributions) under the Deferred Bonus Plan and Long-term Incentive Plan should be retained until the shareholding requirement is met. In addition, shareholding targets exist for other members of the Executive Committee and for staff designated as "partners" in the Group's businesses. The Committee retains the ability to introduce additional retention conditions. Post cessation of employment, Executive Directors are also expected to remain aligned with the interests of shareholders for a period after leaving the Company, save for in exceptional circumstances. Details of this policy are set out in the Annual report of remuneration. 	<ul style="list-style-type: none"> The shareholding targets for the Executive Directors are: <ul style="list-style-type: none"> Chief Executive – 3.0 times salary Group Finance Director – 2.0 times salary Chief Operating Officer – 2.0 times salary Executive Committee members have a target of 1.5 times salary and selected "partners" 1.0 times salary. 	<ul style="list-style-type: none"> n/a

Notes to the remuneration policy table

Performance conditions

The Committee selected the performance conditions used for determining the annual bonus and LTIP awards as they align directly with the short and long-term strategy of the business. These conditions are set annually by the Committee at levels that take into account the Board's business plan.

Consistency with policy for all employees

All employees are eligible to receive salary, pension contributions and benefits and to be considered for a discretionary annual bonus, with the maximum opportunities reflecting the role and seniority of each employee. Other members of the Executive Committee are subject to the same bonus deferral arrangements as the Executive Directors. Higher-earning members of staff below the Executive Committee have a portion of their bonus deferred into shares vesting in equal instalments over a three-year period.

Within each of the Group's businesses, senior members of staff have a significant part of their compensation linked to the long-term performance of the Group's and its clients' investments through carried interest schemes or similar arrangements.

Co-investment and carried interest plans

The Group's Long-term Incentive Plan, approved by shareholders on 4 July 2001, 6 July 2011 and 25 June 2020, prohibits the Chief Executive and Group Finance Director from participating in carried interest plans and similar arrangements. In addition, the Committee's policy is that no current Executive Director will benefit from these arrangements.

Malus/clawback policy

Long-term incentive awards and deferred bonus share awards that have not been delivered to Executive Directors, may be forfeited or reduced in exceptional circumstances on such basis as the Committee considers to be fair, reasonable and proportionate taking into account an individual's role and responsibilities. Such exceptional circumstances include:

- (1) a material misstatement in the financial statements of the Company or Group or any Member of the Group; or
- (2) where an individual has caused, wholly or in part, a material loss for the Group as a result of:
 - (i) reckless, negligent or wilful actions or omissions; or
 - (ii) inappropriate values or behaviour.
- (3) an error in assessing any applicable Performance Conditions or the number of shares;
- (4) the assessment of any applicable Performance Conditions and/or the number of shares to be released being based on inaccurate or misleading information;
- (5) misconduct on the part of the individual concerned;
- (6) a Member of the Group is censured by a regulatory body or suffers a significant detrimental impact on its reputation, provided that the Committee determines that the individual was responsible for, or had management oversight over, the actions, omissions or behaviour that gave rise to that censure or detrimental impact; or
- (7) the Company (or entities representing a material proportion of the Group) becomes insolvent or otherwise suffers a corporate failure so that ordinary shares in the Company cease to have material value, provided that the individual is responsible (in whole or in part) for that insolvency or failure.

The Group may recover amounts that have been paid or released from awards (including cash bonus awards), as long as a written request for the recovery of such sums is made in the two-year period from the date of payment or release and in circumstances where either (a) there has been a material misstatement of Group financial statements or (b) the Group suffers a material loss, and (in either case) the Committee considers that there is reasonable evidence to show that the misstatement or loss has been caused by the individual's reckless, negligent or wilful actions or inappropriate values or behaviours.

The Committee may make minor changes to this Policy, which do not have a material advantage to Directors, to aid in its operation or implementation without seeking shareholder approval for a revised version of this Policy report.

Non-executive Directors – Fees

Purpose and link to strategy	Operation	Opportunity
<ul style="list-style-type: none"> To attract and retain high-performing non-executive Directors of the calibre required. 	<ul style="list-style-type: none"> Non-executive Directors receive a basic annual fee. The fee is delivered in a mix of cash and shares. The Chairman's fee is reviewed annually by the Committee. Fees are benchmarked against other companies of comparable size and against listed financial services companies. The Board is responsible for determining all other non-executive Director fees, which are reviewed annually to ensure they remain appropriate. 	<ul style="list-style-type: none"> Fees are set at a level which is considered appropriate to attract and retain the calibre of individual required by the Company but the Company avoids paying more than necessary for this purpose. Additional fees are paid for the following roles/duties: <ul style="list-style-type: none"> Senior Independent Director Committee Chair Committee membership Committee fees are payable in respect of the Audit and Compliance Committee, Remuneration Committee, Valuations Committee and other Committees where appropriate.

Recruitment policy

In determining remuneration arrangements for new executive appointments to the Board (including internal promotions), the Committee will take into consideration all relevant factors, including the calibre of the individual, the nature of the role, local market practice, the individual's current remuneration package, 3i remuneration policy, internal relativities and existing arrangements for other Executive Directors. For external appointments, some variation may be necessary in order to attract the successful candidate and to reflect particular skills or experience specifically required.

The maximum level of variable pay (as expressed as a multiple of base salary) which may be awarded to new Executive Directors in respect of their appointment shall be no more generous than the combined maximum limits expressed in the remuneration policy table above in respect of the Chief Executive, with an appropriate mix between annual bonus and LTIP opportunity, excluding any awards made to compensate the Executive Director for awards forfeited by their previous employer. Where necessary relocation costs (including any tax) will be paid together with any legal fees or other costs incurred by the individual in relation to their appointment.

It may be necessary to compensate the new Executive Director for remuneration terms being forfeited from their current employer. The Committee's intention is that any such award would be no more generous than the awards being forfeited and would be determined on a comparable basis at the time of grant, including the pay-out schedule and performance conditions, where appropriate.

In determining whether it is appropriate to use judgement, as set out above, the Committee will ensure that any awards made are in the best interests of both the Company and its shareholders. The Committee is at all times conscious of the need to pay no more than is necessary, particularly when determining buyout arrangements.

For both internal and external appointments, it may be deemed appropriate, in order to attract and compensate a new Executive Director, to buy out awards held in carried interest or other asset-related incentive arrangements. The Committee's intention is that any such buyout would be at a fair value at the time of appointment.

In the event of the appointment of a new non-executive Director, remuneration arrangements will normally be in line with those detailed in the relevant table above.

Service contracts

The main terms of the service contracts of the Executive Directors who served in the year were as follows:

Provision	Policy
Notice period	<ul style="list-style-type: none"> • 12 months' notice if given by the Company. • 6 months' notice if given by the Executive Director. • Company policy is that Executive Directors' notice periods should not normally exceed one year. Save for these notice periods the contracts have no unexpired terms.
Dates of contracts	<ul style="list-style-type: none"> • Mr S A Borrows – 17 May 2012 • Mr J Hatchley – 12 May 2022 • Ms J Halai – 12 May 2022
Termination payments	<ul style="list-style-type: none"> • Mr Borrows' contract entitles the Company to terminate employment without notice subject to making 12 monthly payments thereafter equivalent to monthly basic pay and benefits less any amounts earned from alternative employment. • All Directors' contracts entitle the Company to give pay in lieu of notice.
Remuneration and benefits	<ul style="list-style-type: none"> • The operation of all incentive plans, including being eligible to be considered for an annual bonus and Long-term Incentive Plan awards, is non-contractual. • On termination of employment outstanding awards will be treated in accordance with the relevant plan rules.

The Chairman and the non-executive Directors do not have service contracts or contracts for services. Their appointment letters provide for no entitlement to compensation or other benefits on ceasing to be a Director. Service contracts are available for inspection at the Company's headquarters in business hours.

Payment for loss of office

As outlined above, the Committee must satisfy any contractual obligations agreed with the Executive Directors. Details of the Directors' notice periods are shown alongside the service contract information.

An Executive Director may be eligible to receive a time pro-rated annual bonus in respect of the year up until he or she ceased employment. In determining whether to award any bonus, the Committee will assess performance during the financial year up to the date of cessation of active involvement in their management role. The Committee may also make a payment in respect of outplacement costs and legal fees where appropriate.

The treatment of outstanding share awards is governed by the relevant share plan rules. The following table and the Note below it summarise the leaver categories and the impact on the share awards which employees (including Executive Directors) may hold.

For the avoidance of doubt, the Committee reserves the right to make any remuneration payments and payments for loss of office notwithstanding that they are not in line with the policy set out above, where the terms of that payment were agreed (i) before the 2014 policy came into effect or (ii) before this policy came into effect, provided that the terms of payment were consistent with the shareholder approved Directors' remuneration policy in force at the time they were agreed or were otherwise approved by shareholders; or (iii) at a time when the relevant individual was not a Director of the Company (or other person to whom this policy applied) and, in the opinion of the Committee, the payment was not in consideration for the individual becoming a Director of the Company or such other person. For these purposes "payments" includes the Committee satisfying awards of variable remuneration and, in relation to an award or option over shares, the terms of the payment are "agreed" at the time the award is granted. This policy applies equally to any individual who is required to be treated as a Director under the applicable regulations.

Plan	Good leaver categories	Good leaver treatment ¹	Bad leaver treatment ¹
Deferred share awards	<ul style="list-style-type: none"> • Death • Retirement • Ill health, injury, disability • Redundancy • Employing company/business ceasing to be part of 3i Group • "Scheduled Departure" (ie a participant leaving on such a basis and/or within a specified timeframe as agreed by the Committee) 	<ul style="list-style-type: none"> • Awards vest in full on the normal vesting date. • On death, awards vest in full immediately. 	<ul style="list-style-type: none"> • Unvested awards lapse in full. • Vested awards structured as options may be exercised for three months following the participant's cessation of employment.
Long-term Incentive Plan	<ul style="list-style-type: none"> • Death • Retirement • Ill health, injury, disability • Redundancy • Employing company/business ceasing to be part of 3i Group • "Scheduled Departure" (ie a participant leaving on such a basis and/or within a specified timeframe as agreed by the Committee) 	<ul style="list-style-type: none"> • Awards vest on the normal vesting date subject to performance. Pro rating for time will apply. • If a participant dies, the Committee will determine the extent to which awards should vest as soon as practicable following the participant's death. 	<ul style="list-style-type: none"> • Awards normally lapse in full. • If the Committee decides in exceptional circumstances that the awards should vest after the participant's cessation of employment, awards will vest subject to performance and pro rating for time and other conditions may be imposed.

¹ The treatments set out in the table above apply to all employees and are expected to operate in the vast majority of cases. The Plan rules retain discretion for the Committee to reduce awards in exceptional circumstances to Good Leavers or permit vesting (in whole or in part) of awards which would otherwise lapse to Bad Leavers. The Committee will report on the use of this discretion if it is exercised in relation to any Executive Director.

Change of control

Deferred share awards will generally vest early on a takeover, merger or other corporate reorganisation. Alternatively, participants may be allowed or required to exchange their awards for new awards.

Long-term Incentive Plan awards will generally vest early on a takeover, merger or other corporate reorganisation. Alternatively, participants may be allowed or required to exchange their awards for new awards. Where an award vests early in these circumstances, the Committee will determine the level of vesting based on performance to that date and the proportion of the performance period that has passed.

Scenarios

Chief Executive (£'000)

Finance Director (£'000)

Chief Operating Officer (£'000)

The assumptions made in preparing these graphs are that:

- Minimum – this includes only the fixed elements of pay, being base salary, benefits and pension;
- Actual – this represents the remuneration received by each Executive Director for their performance in the year;
- Maximum – this is calculated as the fixed elements and the maximum annual bonus and Long-term Incentive Plan awards; and
- Share price growth – this is calculated as the fixed elements and the maximum annual bonus and Long-term Incentive Plan awards (assuming a 50% share price appreciation).

Consideration of wider employee pay

As part of the annual Committee agenda, the Committee reviews the overall pay and bonus decisions in aggregate for the Group. This ensures that the pay and conditions in the wider Group are taken into account when determining Directors' pay. In particular:

- the range of salary increases awarded over time to other employees are taken into account when considering salary increases for the Executive Directors; and
- the bonus awards made to Directors are considered and made in the context of the range of discretionary bonus awards made within the business. These are based upon Company performance, and are closely correlated to the Executive Director bonus awards.

The Company does not consult with employees when preparing the Executive Director remuneration policy. However, a number of our employees are shareholders and so are able to express their views in the same way as other shareholders.

Consideration of shareholder views

The Committee has remained engaged with shareholders during the period since 2020, and will continue to be mindful of shareholder views when evaluating and setting ongoing remuneration strategy, and commits to consulting with shareholders prior to any significant changes to remuneration policy.
